# OUR PROCESS

We use our experience to streamline your playground buying process from quote to order to installation. Our sales process is:

STEP 1 

**Discuss and find your desire**

Let's talk about your idea and budget. Our sales team will consult and send the quotation of products to you. Together we find the perfect concept for your project.

Besides, you should consider the age groups of the children who will play in this space, the overall size of the playspace, the type of surfacing you want.

STEP 2 

**Assess your location**

Our team will carefully examine and measure your space to ensure that you have chosen the safest, easiest, and most efficient area for your playground. This information will give our design team.

STEP 3 

**Design your idea**

Next, the design team will give you the first sketches to test ideas and find the perfect design.

STEP 4 

**Sign of the contract**

It's an essential step in the process. If you agree with our design and products, we will discuss and sign the contract.

STEP 5 

**Install and maintain equipment**

Our experienced and professional crew installs your equipment.

We will perform consistent maintenance and repairs on your playground to keep it in its best shape.

STEP 6 

**Save information in our database**

We save your project and information for warranty and maintenance equipment.

# MAINTENANCE AND WARRANTY EQUIPMENT PROCESS

Register equipment warranty for customer

Receive warranty requests from the customer or maintain equipment every three months

Preview and report equipment issue (if any)

Make a warranty/ maintenance plan and propose the costs (if any)

Maintain equipment if customer confirm

Make maintenance/ warranty inspection from the customer
